

# Save the Dates: Mentoring Workshops

The Life Sciences Undergraduate Education Office offers a series of four workshops for postdoctoral fellows and graduate students who are interested in mentoring undergraduate researchers in the laboratory or field.

## Workshop Dates and Topics:

**Monday, January 12, 2015:** Research Fellowships for Undergraduates & Writing Recommendation Letters

**Monday, February 09, 2015:** Developing Research Projects with Undergraduates

**Monday, March 09, 2015:** Handling Challenges & Celebrating Achievements

**Monday, April 06, 2015:** Panel Discussion with Undergraduate Researchers

All workshops will be from 12:00-1:30 pm in the Northwest Laboratories, Room 255.

**Facilitators:** Margaret Lynch and Tamara Brenner
